The scheme sketched out is not quite definite. As regards the first item it is contingent on the establishment of a Mysore University. Nothing is stated as to how the funds should be utilized in the meantime

(23) Relating to item 2 the Senior Surgeon has to be consulted as to whether a ward of the kind will be useful and maybe constructed

(24) As regards the interest on the balance of Rs 10,000 payment of Rs 100 for the annual Aradhana of Sri Raghavendraswami is stipulated, the balance to be spent in scholarships or prizes to further post-graduate study. The D. of Education may be asked to be requested to indicate the manner in which this amount may be utilized

80 Mr. Narasinga Rao has stated that for determining further details he would see the Secy. again.

81 The endowment to be accepted is Rs. 25000, but a sum of Rs. 25000 has been in deposit in the Savings Bank from June 1915 or so. Thus it is possible that some money in the shape of interest on the said deposit of Rs. 25000 will still be available. It is for orders whether this additional sum, whatever it is, should be refunded to the donor or utilized by Govt. in any suitable manner. The exact amount of interest at credit may be ascertained from the Comptr.

Submd. It is a matter for orders whether the amount deposited in the Govt. Savings Bank should bear interest at 5% from the date on which the Donor handed over the money to Govt. or whether it should bear the concession rate of interest from the date on which the Endowment was formally accepted by Govt. The date of acceptance again may be either the date of the order proposed to be issued or the date of receipt of intimation from Donor that she is willing to endow the money as proposed for the Prog of Sanskrit under the Mysore University.

104 Pr. II may, if necessary, be consulted.

4.12.16 4/12/16 105 Unless there is any technical objn. it would be generous to allow concession rate from the date on which the donor handed over the money to Govt, as the difference resulting from calculating otherwise would be very small.

106 The amount to be credited in para 3 of draft P.O. will have to be determined after the above point is decided

INDIAN TELEGRAMS

Lady Krishnamurthi's Gift

Rs. 25,000 to Mazrai Department

Sir Krishnamurthi's Undrawn Pension

FROM OUR CORRESPONDENT

Bangalore, June 21.—Lady Krishnamurthi, wife of Sir P. N. Krishnamurthi, late Jagirdar of Yelandur has placed a sum of Rs. 25,000 at the disposal of the Mysore Government in their Muzrai Department as a religious endowment for charitable purposes in memory of her departed husband. The Government have accepted the same. A Committee will soon be formed to give effect to her wishes and to consider the best form of administering the charity. I may mention that the amount is from the pensions of Sir P. N. Krishnamurthi, who declined to draw his pension on the ground that the same was not enhanced as was the case with other Dewans. It is of melancholy interest that while on deathbed the departed nobleman wrote a last letter praying for an enhanced pension and suggesting that the amount may all be spent on charities. His wife is carrying out her husband's wishes most faithfully.—(*By wire.*)

late Side, and his arguments have been models of terse, clear and vigorous advocacy. His services were also largely requisitioned in the conduct of important cases in the muffasal, and he was as familiar a figure in the chief District and Sub-Courts as in Madras.

During the last few years it might be said that there was no appeal or suit in the muffasal of first-rate importance in which he had not an engagement.

As observed by us already, Mr. Srinivasa Aiyangar has not come much to the front in public affairs, but as a warm supporter of the Congress and as a valuable helper of several movements, like the Ramakrishna Home and Poor Boys' Fund of Mylapore and the Servants of India Society; as legal adviser of the Indian Bank, he has rendered substantial, if quiet, service to the public, and he was one of those who at once recognised the value of the Madras Parliament, and has at present in his hands the Post-Puberty Marriage Bill.

We heartily congratulate Mr. K. Srinivasa Aiyangar, and still more the Government on the appointment.

Extract from the late Sir P.N. Krishnamurti's note dedicating his pension amount to charity connected with Sri Anjaneya's Temple at Purnaprasada:-

" " " " "

I have not taken any official action to draw this pension and not drawn it. It is my intention to request the Maharaja to reconsider the question but my present resolution is to devote the whole of this pension of Rs 500 as an endowment to Anjaneya's temple, not a single pie of which should by God Anjaneya's grace be appropriated by me. If by His blessings the amount of pension will be increased it is only that increase I should take for my expenses deducting onehalf of that increase which should be given away also as an endowment to the said Anjaneya's temple to which I have a strong intention of attaching a Veda and Madhwa - school with a boarding establishment for the food and support of Madhwa youths studying there. May God grant this prayer and bless me.

20th June 1907. /sd/ P.N. Krishnamurti.

Converted into onehalf as originally intended onefourth was resolved when writing this and on further consideration I have resolved that it should be onehalf onehalf ½.

Extract from the late Sir P.N. Krishnamurti's letter dated 22nd November 1911 to the Private Secretary to H.H. the Maharaja of Mysore regarding pension and institution of charities:-

" " " " " "

I am also grateful to you for the gracious intimation that I would receive a communication in due course from the Dewan on the subject of my pension. If this is settled as I wish and pray for favourably to me by H.H. the Maharaja I shall be glad that I shall be able ere long to fulfil one of my heart's desires and to establish a charity in connection with the temple which I am constructing here. I have already endowed it on a small scale; His Highness's munificence in regard to my pension will enable me to complete the whole investment to form a permanent charity in the name of H.H. the Maharaja. My idea is to establish a small Sanskrit educational institution with a free library and a small orphanage with facilities for poor and deserving students to prosecute studies in Philosophy and Religion and to receive boarding and lodging. The sooner I am enabled to do this the greater will be the relief. In these days of my bodily infirmity and other distress I hope it is not too early to intimate this to H.H. the Maharaja so that he will see that in what H.H. graciously does to perpetuate the humble services of his most grateful and faithful servant H.H. will also be the chief means of founding and establishing a charitable institution in Bangalore to consecrate the worship of the temple and to provide maintenance and to spread Sanskrit religious education among class of His Highness's subjects who stand in very great need of such help. Both by conviction and advice of friends I am persuaded that this is the best form of charity which is required in Bangalore at the present moment to help and give proper direction to the maintenance and training of many deserving youths in this State and I am very grateful that by H.H's gracious munificence there is an early

prospect of my being able to endow on a permanent basis such a useful charity in the name of H.H. the Maharaja for which purpose the whole of my pensionary acquisition will, it is my intention to utilise. It is also a part of the charity to establish a free Sanskrit - library joined with some industrial pursuit and learning.

Sir,

With reference to your letter dated 26th June 1915 re the scheme of charities proposed to be perpetuated in memory of the late Sir P.N. Krishna Murti, I beg to state that:

In the event of a University of Mysore being instituted in the near future, the interest accruing on the sum of Rs.10,000 (Ten Thousand) out of the sum of Rs.25,000 (Twenty Five Thousand) now invested with Government, shall be applied in founding a chair for Sanskrit in the name of Sir Krishna Murti provided the scheme of studies of the University admits of such a foundation.

A sum of Rs.5,000 (Five Thousand) out of the principal amount invested with His Highness' Government shall be appropriated to construct a medical ward in the Victoria Hospital, Bangalore, in the name of Sir Krishna Murti specifically intended for the benefit of persons suffering from any form of paralysis.

The interest accruing from the remaining sum of Rs.10,000 shall be annually applied as follows:--

ATMANIVAS,
BASVANGUDI.

(1) A sum of Rs.100 (One Hundred only) shall be annually paid to Sri Raghavendra Swami Mutt at Manchala (Mantralaya) situate on the Tungabhadra within the limits of His Highness the Nizam's Dominions, for being utilized for the express purpose of an annual aradhana of Sri Raghavendra Swami in the said Mutt in the name of Sir Krishna Murti.

(2) The balance of interest shall be annually appropriated towards founding scholarships or prizes in any manner that may commend itself to Government and in the furtherance of any sound scheme of post graduate study relating to industry and commerce, provided the beneficiary herein is a native of Mysore by birth

(3) In the event of their being no award in any year, the unexpended interest may be added to the corpus of the fund.

In the future when altered conditions of local society may develop new requirements of social well-being, His Highness' Government of the day, may, consistently with the objects of these endowments, decide upon the best manner of application of the said funds in consultation with the then existing direct descendant of Sir Krishna Murti.

It is the earnest desire of Lady Kaveri Bai Krishna Murti

12/52

ATMANIVAS,
BASVANGUDI.

that as in some other instances of endowments accepted by Government, they may be pleased to graciously fix the rate of interest at 5 % instead of at 4 % so that the amount realized may satisfactorily provide for the objects in view.

It is believed that this small enhancement of rate of interest will operate as an encouragement to the intending philanthropists to endow largely in the promotion of social well-being of the general public.

Lady Kaveri Bai Krishna Murti desires that the scheme of appropriation of funds as noted above may kindly be adopted by the benign Government of His Highness the Maharaja and the utilization of the said funds to the beneficent objects of public utility for all time to come be thereby ensured and the memory of the late Sir Krishna Murti perpetuated.

I beg to remain, Sir,
Your most obedient servant,

Dear Sir,

Lady Krishnamurthi has offered a sum of Rs 5000 for the construction of a ward in the Victoria Hospital, in the name of the late Sir P.V. Krishnamurthi, for the benefit of persons suffering from any form of paralysis, and I am desired to invite your opinion as to whether it would be convenient to give effect to her wishes if the offer is accepted by Govt.

The favour of a very early reply ~~to~~ ~~[illegible]~~ will much oblige yours sincerely

D. O. No. 41

Dated, Bangalore, 14-8-16.

Dear Sir,

Your D.O.letter No.c.s.173 of even date.

A ward of the type of one of the existing wards of the Victoria Hospital, with accommodation for 8 beds will cost about 14,000 to 15,000 rupees.

It is unusual to provide, in a general hospital, accommodation to incurables, among whom, paralytic patients should be mostly classed.

For want of better accommodation, the Bangalore City Municipal Council is maintaining a number of incurables at the Epidemic Diseases Hospital with its primitive accommodation.

If the offer of Lady Krishnamurti could be made available for paralytics among these patients, it may go a great way to give them increased comforts in the way of accommodation.

Yours sincerely,

Senior Surgeon.

Sir,

With reference to your talk with me the other day regarding the impracticability of constructing a paralytic ward in the Victoria Hospital at an outlay of Rs 5000/- in the name of the late Sir Krishna Murti, I am desired by Lady Kamini Bai Krishna Murti to say that the endowment to the extent (viz Rs 2000) it may be feasible for Govt to accept consistent with her wishes already on record may be accepted, leaving the balance at her disposal and early orders issued

in respect of the amount so accepted since she is very anxious that the amount set apart for Sri Raghavendra Swami temple as a part of this charitable scheme should be made available for the purpose very early:

My dear Sir,

As you are aware Lady Kaveri Bai Krishnamurthi has offered an endowment of Rs.35,000 partly for the advancement of Sanskrit education and partly for general educational and other purposes.

G. O. No. 1586/Ed 50-15
Dated 21-8-1916.
Sd. by Mr P. G. D'Souza

One of the purposes mentioned by the donor is that a ward for paralytics should be constructed in the Victorial Hospital premises at a cost of Rs.5,000. The Senior Surgeon is not in favour of the proposal. Moreover, a ward of the type of one of the existing wards in that hospital will cost about Rs.14,000 to Rs.15,000.

Mr. M. Narasinga Rao on behalf of Lady Krishnamurthi has written to say that in view of the Senior Surgeon's opinion the sum of Rs.5,000 offered for a ward for paralytics may be left at her disposal and that the balance of Rs.30,000 may be accepted.

In these circumstances, I am desired to request you kindly to discuss the matter with Lady Krishnamurthi and see if her consent cannot be obtained to the appropriation of the ~~entire endow-~~ same for ment for the University. The favour of a very early reply is requested.

Dear Mr. D'Souza,

I visited Lady Krishnamurti while in Bangalore and spoke to her about the endowment. She said that a communication embodying her views had been sent to Government, and that she was not able at that time to discuss details. She promised to send her nephew Mr. Ranganatha Rao, or Mr. M. Narasinga Rao to me to talk over. Neither of these gentlemen met me till now. I have written to Mr. Narasinga Rao to see me when I am next in Bangalore. In the meanwhile, it will be useful if I can see the whole of the Secretariat file connected with the subject. Can you kindly send it over for perusal to me ?

I shall write again about the result of my interview after it takes place.

Madam,

With reference to your endowment of Rs.25,000 made in memory of the late Sir P.N. Krishna Mutti, Government understand that you are agreeable to the utilisation of a sum of Rs.20,000 for the Mysore University for the advancement of Sanskrit studies in such manner as the University Council may, with your formal approval, determine, and that, further, you have no objection to place the balance of Rs.5,000 (originally intended for an hospital ward) at the disposal of Government for awarding medals or prizes as well as scholarships to students of the two Sanskrit Colleges for proficiency in Dwaita Vedanta or in the absence of such students, to Madhwa students studying any other Sastras. As the Vice Chancellor desires to announce the endowment at the first meeting of the Senate on the 12th instant, I am desired to request you kindly to intimate by wire your formal approval to the above arrangement. Dated Mysore, 3 Oct. 1916

Dear Mr. Dr Bowen,

On the subject of Lady Krishnamurti's endowment, I have had a talk with Mr. M Narasinga Rao on her behalf. I believe that Lady Kr. has already signified her willingness to abide by the decision of Govt about the disposal of 10000 Rs besides the 10000 Rs already agreed to be given to the University. The

6

amount of 5000Rs proposed for a hospital bard, also practically lies unappropriated as the Senior Surgeon reported that it would not suffice for the purpose.

What I now suggested to Mr. N. & suggest to Govt is that 20000Rs may be given over to the University for the advancement of Sanskrit studies therein in such manner as the Univ Council will with the formal assent of Lady Krishna may determine. The

remaining five thousand rupees will be placed at the disposal of Govt. for awarding on the occasion of the award of prizes in the Palace, one or two medals or prizes to students of the two Sanskrit Colleges who show proficiency in Dvaita Vedanta or in the absence of such, to Madhva students studying any other Sastra. ~~The~~ Any sum remaining may be utilised to award scholarships to such students

If these terms are approved by Govt., and offi-

cially suggested to Lady Ker, ~~there~~ a formal assent will be, I am assured, conveyed by her. I think the proposed arrangement is eminently reasonable, and may be accepted by Govt.

I ~~may~~ would strongly recommend that Govt agree to give 5 P.C. interest on the money invested.

If the matter is disposed of as an urgent one, we may announce the gift at the ~~meeting~~ coming mtg of the Senate.
